

***** TRAFFIC ADVISORY *****

Overnight Detours on I-77 at Exit 30 and Griffith Street in Davidson March 5-8

Charlotte, N.C. (March 3, 2018) – As crews continue construction of the second half of the Griffith Street bridge at Exit 30 in Davidson, detours will occur overnight on I-77 and Griffith street as traffic will not be able to pass under, nor cross over the bridge during this work. Motorists on I-77 will be routed onto the Exit 30 exit ramps and down the entrance ramps back onto I-77.

Local traffic travelling from west of I-77 will take I-77 southbound to Exit 28 Catawba Avenue to I-77 northbound to access Exit 30 Griffith Street on the east side. Local traffic travelling from east of I-77 will take I-77 northbound to Exit 31 Langtree Road to I-77 southbound to access Exit 30 Griffith Street on the west side.

See specific dates, times and detour maps below.

I-77 Southbound

Monday, March 5 to Wednesday, March 7 from 11:00 p.m. to 5:00 a.m.

Motorists travelling southbound on I-77 will be routed onto the Exit 30 exit ramp and down the entrance ramp back onto I-77 southbound.

Local traffic travelling from west of I-77 will take I-77 southbound to Exit 28 Catawba Avenue to I-77 northbound to access Exit 30 Griffith Street on the east side during the overnight hours. Local traffic travelling from east of I-77 will take I-77 northbound to Exit 31 Langtree Road to I-77 southbound to access Exit 30 Griffith Street on the west side.

I-77 Northbound

Wednesday, March 7 to Saturday, March 10 from 11:00 p.m. to 5:00 a.m.

Motorists heading north on I-77 overnight will be routed onto the Exit 30 exit ramp and down the entrance ramp back onto I-77 northbound.

Local traffic travelling from west of I-77 will take I-77 southbound to Exit 28 Catawba Avenue to I-77 northbound to access Exit 30 Griffith Street on the east side during the overnight hours. Local traffic travelling from east of I-77 will take I-77 northbound to Exit 31 Langtree Road to I-77 southbound to access Exit 30 Griffith Street on the west side.

Sugar Creek Construction and I-77 Mobility Partners are coordinating with the town of Davidson and area emergency responders to ensure efficient response during these detours. Once the new Exit 30 Griffith Street bridge is completed, it will have improved pedestrian access with the addition of bike lanes and sidewalks. Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.

We encourage people to sign up to receive lane closure and traffic advisory information, and the latest information on the project.

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The 26-mile project is scheduled to open in 2018.
