Construction Crews Continue Placing Beams on New Bridges at I-77/I-85 Interchange
Detours Scheduled on I-85 as Beams Are Lifted

Charlotte, N.C. (February 17, 2018) – Crews will continue placing beams on the bridges over I-85 at the I-85/I-77 interchange as part of the I-77 Express Lanes project. To allow crews to safely place these beams, northbound I-85 detours will take place overnight **Monday, February 19** and **Friday, February 23** from 11 p.m. to 5 a.m. Southbound detours on I-85 will occur **Tuesday, February 20** and **Wednesday, February 21** from 11 p.m. to 5 a.m. All detours are weather permitting. Please be aware that additional detours may take place over the next several weeks to complete these operations.

During the detours, motorists travelling southbound on I-85 will take Exit 38 to I-77 South towards Columbia. Once on I-77 southbound, drivers will be directed to take Exit 11B/Brookshire Freeway to I-85 South to continue travelling southbound on I-85.

Motorists travelling northbound on I-85 will take Exit 36/Brookshire Freeway to I-77 northbound. Once on I-77 northbound, drivers will be directed to I-85 North to continue travelling northbound on I-85. Motorists travelling southbound on I-77 to I-85 northbound will take I-85 southbound to Exit 36/Brookshire Freeway to I-77 northbound. Once on I-77 northbound, drivers will be directed to I-85 North to continue travelling northbound on I-85.

Please follow the detour signs and be advised that all ramps leading to these detours will be closed.

See attached detour maps.

Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.

We encourage people to sign up for our e-newsletter and follow us on social media, using the following:

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The 26-mile project is scheduled to open before the end of 2018.
