**\*\*\* TRAFFIC ADVISORY \*\*\***

### **Overnight Lane Closures on I-77 and I-85 in Charlotte for Bridge Maintenance**

**Charlotte, N.C. (June 14, 2018)** – Crews will begin routine maintenance work on the existing bridges within the I-77/I-85 interchange near uptown Charlotte on June 18, 2018, with an expected completion date of September 1, 2018. The work requires overnight lane closures on both I-77 and I-85, which will be performed on a weekly basis between the hours of 9 p.m. and 6 a.m., Monday through Thursday, and from 9 p.m. to 9 a.m. on Fridays and Saturdays. The lane closures will exist between Exit 12 and Exit 13 on I-77 Northbound and Southbound, as well as between Exit 38 and Exit 39 on I-85 Northbound and Southbound.

Please be advised, work is subject to weather conditions. Overnight lane closures on Sundays between 9 p.m. and 6 a.m. may occur to make up for any inclement weather.

Motorists are encouraged to pay attention when approaching the interchange during the maintenance hours listed above, follow the work zone signs, and allow extra time to reach their destinations safely.
