

**\*\*\* TRAFFIC ADVISORY \*\*\***

**Construction continues on new bridges at I-77/I-85 Interchange**  
*Detours scheduled on I-85*

**Charlotte, N.C. (May 4, 2018)** – Crews will continue work on the bridges over I-85 at the I-85/I-77 Interchange as part of the I-77 Express Lanes project. To allow crews to safely work, a northbound detour will take place Thursday, May 10 from 11 p.m. to 5 a.m., weather permitting. Please be aware that additional detours in this area might be needed in upcoming weeks.

During the detours, motorists traveling northbound on I-85 will take Exit 36/Brookshire Freeway to I-77 northbound. Once on I-77 northbound, drivers will be directed to I-85 North to continue travelling northbound on I-85. Motorists travelling southbound on I-77 to I-85 northbound will take I-85 southbound to Exit 36/Brookshire Freeway to I-77 northbound. Once on I-77 northbound, drivers will be directed to I-85 North to continue travelling northbound on I-85.

Please follow the detour signs and be advised that all ramps leading to these detours will be closed.

**See attached detour maps.**

\*\*\*Detours are subject to weather conditions and major special events in the area.

Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.

We encourage people to sign up for our e-newsletter and follow us on social media, using the following:

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The 26-mile project is scheduled to open before the end of 2018.
