

***** TRAFFIC ADVISORY *****

**Construction Continues at New Bridges at the I-77/I-85 interchange
*Detours Scheduled on I-85***

Charlotte, N.C. (April 28, 2018) – Crews will continue work on the bridges over I-85 at the I-85/I-77 Interchange as part of the I-77 Express Lanes project. To allow crews to safely work, a southbound detour will take place **Tuesday, May 1 from 11 p.m. to 5 a.m.**, weather permitting. Please be aware that additional detours might take place in the next couple of weeks.

During the detour, motorists travelling southbound on I-85 will take Exit 38 to I-77 South towards Columbia. Once on I-77 southbound, drivers will be directed to take Exit 11B/Brookshire Freeway to I-85 South to continue travelling southbound on I-85.

Please follow the detour signs and be advised that all ramps leading to these detours will be closed.

See attached detour map.

Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.

We encourage people to sign up for our e-newsletter and follow us on social media, using the following:

I-77 Mobility Partners on Twitter [@I77XPRSLanes](#)

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The 26-mile project is scheduled to open before the end of 2018.
