

***** TRAFFIC ADVISORY *****

Upcoming Overnight Detours on I-277/Brookshire Freeway May 21-23

Charlotte, N.C. (May 18, 2018) – Crews continue their work on a portion of the deck structure of the tallest bridge of the I-77 Express Lanes project on Monday, May 21, Tuesday, May 22 and Wednesday, May 23 from 11 p.m. to 5 a.m. The new, taller bridge will replace the current one that connects motorists from the I-277/Brookshire Freeway to I-77 southbound. A detour on I-277 Eastbound will also be in place while crews are working on the bridge. *All ramps leading to this detour will be closed.*

The detour location is as follows (please see attached detour maps):

I-277 Eastbound

Monday, May 21 from 11 p.m. to 5 a.m.

Tuesday, May 22 from 11 p.m. to 5 a.m.

Wednesday, May 23 from 11 p.m. to 5 a.m.

Exit 11A from I-77 southbound to I-277 eastbound will be closed overnight on Monday, May 21, Tuesday, May 22 and Wednesday, May 23 from 11 p.m. to 5 a.m. Motorist traveling on the Brookshire Freeway eastbound towards uptown and on I-77 southbound to I-277 eastbound (Exit 11A) will continue to Exit 10 C. From the exit motorists can take West 5th Street to I-77 northbound and take Exit 11A to I-277 eastbound.

Please be advised that ramps leading to this portion of I-277 during the hours of the detour will be temporarily closed.

*Detours are subject to weather conditions and major special events in the area.

Motorists are encouraged to pay attention when approaching the work zone, obey the posted speed limit and work zone signs, and allow extra time to reach their destinations safely.

We encourage people to sign up for our e-newsletter and follow us on social media, using the following:

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The full 26-mile project is slated to be completed in 2018.
