

**\*\*\* TRAFFIC ADVISORY \*\*\***

**Upcoming Detours on I-77 Southbound as Crews Build the New  
Lakeview Road Direct Connector Bridge**

**Charlotte, N.C. (Thursday, June 21, 2018)** – A detour on I-77 southbound will be in place overnight on Thursday, June 21, from 11 p.m. to 5 a.m., to allow crews to safely work in the median of I-77 as they continue building the new Lakeview Road Direct Connector bridge. During the detour, motorists traveling southbound on I-77 will take the I-485 Inner/East loop to I-85 south. Once on I-85, drivers will be directed to continue traveling southbound and then take Exit 38 to I-77 Southbound.

Please be advised the southbound ramps at W.T. Harris Boulevard will also be closed to traffic, and ramps leading to the portion of I-77 Southbound between the I-77/I-485 Interchange and the I-77/I-85 Interchange during the hours of the detour will be temporarily closed. Motorists traveling westbound on W.T. Harris will be directed to take Reames Road to Sunset Road. Motorists traveling eastbound on W.T. Harris will be directed to Statesville Road to Sunset Road.

**Please see attached detour map.**

I-77 Mobility Partners on Twitter [@I77XPRSLanes](#)

Once the project is complete, dedicated express lanes will run adjacent to the existing general purpose lanes. The number of general purpose lanes will remain the same as today. Drivers will have the choice of using the express lanes to avoid travel delays, the general purpose lanes or a combination of both. Vehicles with three or more occupants (including the driver) and equipped with a transponder may use the express lanes for free. The 26-mile project is scheduled to open before the end of 2018.
